Adele Mason (020 8269 7906; [adelem@dewberryredpoint.co.uk](mailto:adelem@dewberryredpoint.co.uk))

Editorial deadline: 6 weeks prior to publication  
Advertising deadline: 4 weeks prior to publication

### March

#### Issue

**Refrigeration** - a look at what the public sector wants and how suppliers are meeting the demands and challenges of equipping kitchens

#### Event Update

**Hotelympia Show Issue** - Guide to the highlights of the trade show that runs from March 5-8 at ExCeL, including the best of the new product launches

#### Special Report

**Hospital Food** - We look at innovation and new ideas in patient feeding, including a glimpse into what catering teams serve up in other countries

### April

#### Issue

**Cleaning & Hygiene** - Operators are looking at how to stay on top of training and good hygiene practice in an industry where staff turnover can sometimes be high. Case studies offer a blueprint

#### Event Update

**HCA Preview** - What can delegates and visitors to the Hospital Caterers Association annual Leadership & Development Forum at Celtic Manor in Wales expect from April 12-13?

Special Report

**Soft Drinks** - UK market insights from GlobalData, looking at trends, market share by company and marketing & innovation

**May**

Issue

**Combi Ovens** - Case studies showcase the innovation and efficiency these machines can bring to high-volume caterers in the public sector

Event Updates

**Commercial Kitchen Show** - We preview the catering equipment exhibition that takes place from June 5-6 at the NEC

**HCA Review** - Reports and photos from the year's big healthcare catering event at Celtic Manor in Wales which ran from April 12-13

Special Report

**Grab & Go** - What are the hot new food and taste trends around the world that could soon be appearing on street food stalls or workplace restaurants in the UK?

**June**

Issue

**Warewashing** - The healthcare sector needs machines that can work around the clock to clean pots, pans, plates, cutlery and glasses to the highest standards. We look behind the scenes to see this in action

Event Update

**TUCO Preview** - A look ahead to the key issues to be addressed when university caterers gather from July 23-25, as well as a foretaste of the learning and networking events available for delegates

Special Report

**School Meals** - Pick up tips from around the country as we take a look at some of the best of pupil feeding in England, Scotland, Wales and Northern Ireland

## July

### Issue

**Accelerated Cooking & Microwaves** - A look behind the scenes at how caterers in the public sector make best use of these sometimes under-rated machines

### Event Update

**LACA Preview** - There is no shortage of pressing topics for school caterers to get their teeth into at the UK's biggest school catering occasion, the LACA Main Event in Birmingham from July 11-13

### Special Report

**Frozen versus Fresh** - The big food debate has champions on both sides. Frozen can offer cost benefits, convenience, tighter portion control and less food waste, say its supporters, while fresh provides better taste, texture and nutrition say its proponents. You decide.

## August

### Issue

**Temperature Monitoring** - The storing, handling, cooking and serving of meals at the correct temperature underlies all good food hygiene practice. Public sector chefs talk about the equipment, systems and training that help them get it right.

### Event Update

**LACA Review** - Reports, results, winners and photos from the Main Event celebration of all things 'school meals' that's just taken place

### Special Report

**Vegan & Vegetarian Food** - The young are enthusiastically embracing both vegetarianism and veganism, which means caterers have to understand what they want and know how to deliver it

## September

### Issue

**Back To School** - Kitchens have been deep-cleaned, new menus have been prepared and caterers are ready for service as the new school year begins. We look at what's on plates at both primaries and secondaries

### Event Update

**NACC Preview** - A look ahead at the programme and events lined up for delegates to the National Association of Care Catering's annual Training and Development Forum from October 3-5

**Lunch! Preview** - What's happening at the UK's leading food-to-go show at ExCeL from September 20-21

**TUCO Review** - Reports, winners and photos from the university catering conference, awards and exhibition from July 23-25

### Special report

**Hot Beverages** - A GlobalData report looks at opportunities in Europe, and in particular the UK, in the hot drinks sector, taking in a view of the market, customers and beverage trends

## October

### Issue

**Beverage Equipment** - Case studies showcase the range, features and quality of drinks that catering teams can serve their customers using the machines and training available today

### Event Update

**CESA Conference** - We preview the annual conference of the Catering Equipment Suppliers Association (CESA)

**Meals on Wheels** - The NACC's annual Meals on Wheels Week promotion runs from November 5-9; find out the who, what and where of the events planned

### Special Report

**Ask The Experts** - Meet some of the best companies operating in every hospitality industry field, from food through to drink, equipment, software and services - brought to you in one neat, handy supplement.

## November

### Issue

**Saving Energy** - How much of an issue is this for public sector caterers? And are buyers looking to invest in more energy-efficient equipment to achieve savings? We speak to caterers and suppliers to get the picture

#### Event Update

**School Meals Week** - LACA this year celebrates the 25<sup>th</sup> anniversary of its National School Meals Week promotion, running from November 12-16. Find out what's planned

#### Special Report

**Global Food Trends** - Citizens of the world are looking for foods they can trust, that are healthy, that offer new and interesting flavours, that come in formats that can be personalised and which boast credible environmental credentials. What does this look like on the plate?

### December

#### Issue

**Oriental Cuisine & Chinese New Year** - A look ahead to the Year of the Pig in 2019, and some of the Asian taste trends and dishes that you need to be aware of

#### Event Update

**PSMI Top 20** - We unveil the Top 20 'most influential' people in public sector catering for 2018 and look at why judges feel they have made the list

#### Special Report

**Contract Catering** - From the major support service providers to the best niche catering companies, we sift through year-end data to offer snapshot of the UK contract catering scene
